

Grassroots Arts Program Guidelines FY 2023-2024

The Arts Council of Wilmington & New Hanover County is accepting applications for two NC Arts Council Grassroots Arts Program subgrants through **June 16, 2023**.

Since 1977, the NC Arts Council's Grassroots Arts Program has provided North Carolina citizens access to quality arts experiences. Using a per capita based formula, the program provides funding for the arts in all 100 counties of the state through partnerships with local arts councils. The Arts Council of Wilmington/NHC is the NC Arts Council's Designated County Partner for New Hanover County and will subgrant \$50,000 in FY 2023-2024.

This year we will administer an additional \$50,000 through American Rescue Plan Act (ARPA) funding approved by the North Carolina General Assembly in November 2021. Unlike the process for distribution of state GAP funds which starts with a base amount, the federal dollars are assigned on a straight per capita formula.

The Arts Council will host two Grassroots Arts Program Grant workshops via Zoom to assist interested applicants. **All applicants are encouraged to attend as there are amendments to the Grassroots Arts Program grant this year.**

What the Grassroots Arts Program Funds

Grassroots Arts Program funds may be used for expenditures to conduct quality arts programs or operate an arts organization. Typical uses of Grassroots money include:

- Program expenses such as professional artists' fees and travel, space rental, advertising, marketing and publicity, website and electronic media, scripts, costumes, sets, props, music, and equipment rental.
- Operating expenses for qualified arts organizations not already receiving operating support from the N.C. Arts Council. These can include salaries, telephone, office supplies, printing, postage, rent, utilities, insurance, and equipment rental.

Priorities for Funding

The first priority of the Grassroots Arts subgrant program is to provide operating or program support to qualified arts organizations not already receiving or eligible to receive support from the N.C. Arts Council. These include theaters, symphonies, galleries, art guilds, choral societies, dance companies, folk arts societies, writers' groups, and arts festivals, among others.

The second priority of the Grassroots Arts subgrant program is to support arts learning and arts in education programs conducted by qualified artists. These can be artist residencies in schools, afterschool or summer camps or adult arts learning classes.

The third priority of Grassroots Arts subgrants is to community, civic and municipal organizations. These programs must be conducted by qualified artists.

Funding Policies

- Tribal organizations that receive Grassroots funds must represent state or federally recognized tribes.
- Colleges, universities, and libraries may receive grants for arts programs that are community-based or generate regional arts involvement. Grants may not support their internal programs, administrative or operation expenses (library books, band boosters, equipment purchases).
- Subgrants may not be awarded to individuals or to organizations for prizes, competitions, tuition, or financial rewards.
- Grassroots funds may not be used for art supplies or equipment.
- Religious organizations or churches may not receive Grassroots funds unless the programs are presented outside regular church services, engage the larger community and which do not contain religious content.
- Grassroots funds may not be used for activities associated with a school's internal arts programs such as in-school student performances, the purchase of art supplies, or student arts competitions and publications.
- Municipalities (city/county governments) may receive grants for arts programs which use qualified artists to conduct programs that involve the greater community. Grants may not support internal programs, administrative, or operating expenses.

Grassroots Arts Program money may **not** be used for the following kinds of expenditures:

- Art, music, and dance therapists
- Artifacts
- Purchase artwork
- Purchase equipment or art supplies
- Capital expenditures or equipment
- Contingency funds
- Deficit reduction
- Fundraising events
- Food or beverages for hospitality or entertainment functions
- School band activities or equipment

- Interest on loans, fines, or litigation costs

Grassroots Arts Program Subgrant Requirements

Matching Requirements

The state Grassroots allocation must be matched dollar for dollar with cash from local sources during the fiscal year; however, the ARPA funds do not require a match.

North Carolina Arts Council Recognition

Subgrantees must acknowledge the N.C. Arts Council's support of their event or projects by including the N.C. Arts Council's logo, and funding credit line in all print and promotional materials related to the grant. The N.C. Arts Council's website offers information and downloadable logos at <http://www.ncarts.org/Grants/Logo-Use>. We encourage use of the Arts Council of Wilmington and New Hanover County logos, which are available on the Arts Council of Wilmington's website.

Reporting Requirements

Each subgrantee is required to submit a final report providing a detailed description of the funded project, participation statistics and demographics, sample marketing and program materials using the N.C. Arts Council credit line and logo, and copies of their legislative letters.

The Subgrant Report form will be posted on www.artswilmington.org/grants.

Legislative Letters

Applicants are required to write their state representatives to thank them for appropriating Grassroots funds. The letter should provide information about how Grassroots funds were used to support your program or project, and the community impact of the event. A copy of all letters to legislators must be included in the final report materials.
